**COMSATS University Islamabad**
**Department of Computer Science**
Final Year Project – Minutes of Meeting
Fortnightly Progress Report

| **SECTION -1** (to be completed by the STUDENT prior to meeting) | |
|---|---|
| **Title of Project:** **HoneyBot-IoT: A High-Interaction Multi-Protocol IoT Honeypot for Cyber Threat Intelligence** | |
| **Students' Names: (Attending Students)**<br>1. Abdul Wadood (CIIT/SP23-BCT-001/ISB)<br>2. Abdul Rahman (CIIT/SP23-BCT-003/ISB)<br>3. | **Supervisor Name:**<br>Mrs. Sara Ali |
| **Date:** 16-10-2026 | **Date of the previous meeting:** |
| **Work undertaken since last meeting/ Last milestone achieved**:<br>**30% implementation completed (v0.3):**<br>• SSH, Telnet, HTTP and MQTT honeypots running in Docker<br>• Credentials, commands and MQTT activity logged to PostgreSQL<br>• REST API + attack detector (brute-force, multi-protocol, credential stuffing)<br>• Basic real-time dashboard (live feed, charts) | |
| **Issues/progress you would like to discuss in this meeting:**<br>**60% progress (v0.6):**<br>• All 5 protocols / 3 devices working (RTSP CCTV honeypot added)<br>• Unified event store + shared device state across protocols (Redis)<br>• 15 rule-based detections with MITRE ATT&CK tags; GeoIP, correlation, IOCs<br>• Telegram + e-mail alerts; dashboard with map and device status; network isolation<br>**To discuss:** approval of scope simplifications (Docker Compose, Telegram/e-mail only); ML labelling approach. | |
| **SECTION -2** (to be completed by the SUPERVISOR at the time of meeting) | |
| **Work students should undertake between now and the next meeting (next meeting agenda points):**<br>**70%:** malware capture + YARA, STIX 2.1 export, PDF threat reports, React dashboard with live updates, monitoring and backups.<br>**100% (AI module):** XGBoost attack classifier, Isolation Forest anomaly detection, LLM threat reports, risk scoring; final testing, report and demo. | |
| **SECTION -3 (Report Review)** | |
| **Supervisor Verification:** *I confirm that I have reviewed the project report during this meeting.* | |
| **Supervisor's Signature:** | **Date of next meeting:** |
